Big Boy urn

When bigger is better and you want to truly make a statement, the big boy urn is the answer. Sleek in appearance the urn is ideal in situations where you want to hide ugly downpipes and dead wall space. Distinctive contemporary lines combined with flamboyant colours and practicality of being a rain water tank makes this urn a true winner in its class.

Size: H1730mm x W700mm

Reservoir capacity: Litres: 400 litres

Zudeco®

Water feature / Fountain reservoir

By simply placing a standard 400 x 400 or 600 x 600 paver onto the upper surface of the bowl you can place your urn, statue, pot or sculpture on top of the bowl to create a perfect, aesthetically pleasing water feature base. The base of the bowl comes complete with 3 x brass ¾" threaded ports for easy connection of pumps, taps etc.

Size: W1195mm x H389mm

Reservoir capacity: 135 litre

The Zudeco® Designer collection

Zudeco® Midi urn

Quaint yet elegant, the Midi urn is not only a decorative, light weight urn with distinctive character but is also a practical and stylish rain water catchment reservoir (tank). It is a paradise tank that couples with the big boy urn to increase storage capacity

Available in a range of standard colours, the midi urn can also be produced in different finishes and colours (subject to production lead times).

Size: H1532mm x W750mm

Reservoir capacity: Litres: 390 litres

Zudeco®

Designer “Zippo” chairs

The first of what will be a full range of contemporary designer furniture. Light weight durable roto moulded plastic ensures years of trouble free use. Will not be affected by the sun and is child proof, will not crack or chip. Huge range of distinctive colours to bring to life any patio, pool deck, balcony or sitting area.

Size: L1043mm x 389mm

Zudeco®
Contempo bowl

Wow....a world first and proudly Australian. The versatile contempo bowl by Zudeco has many practical applications.

Applications:

Planter / Bowl – Plant directly into the bowl to create a contemporary show piece

Herb planter – An optional herb planter insert is available. The insert creates a self watering herb planter. You can go away on holiday and not have to worry about watering your valuable herbs, they will take care of themselves.
